'74 TIGER

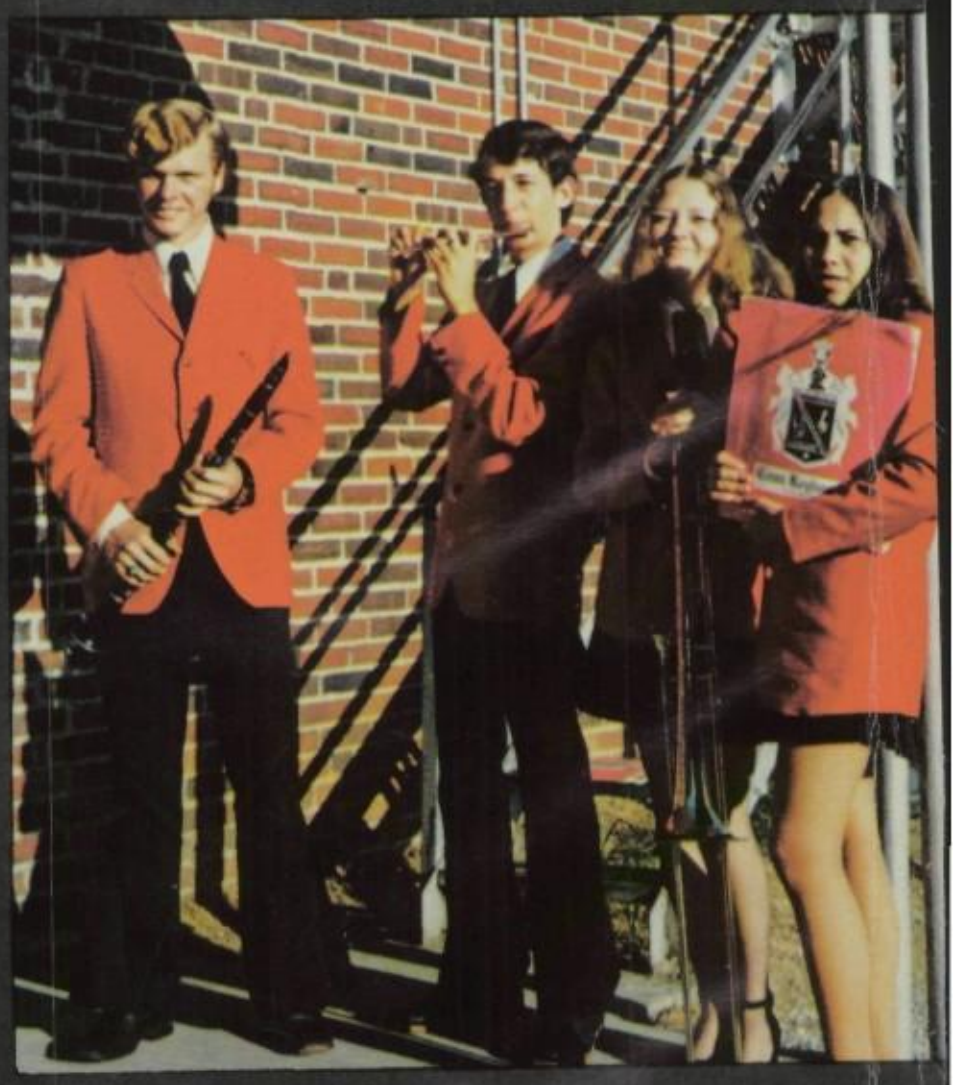
It's GREAT



To be a TIGER

Football games in the golden autumn basketball thrills resounding in the gym . . . earning money for cheerleading camp . . . getting that chemistry experiment almost right . . . breaking pinatas at fiesta . . . an unexpected A in typing . . . even a report card you dread taking home . . . wondering if you'll get a date to the Junior-Senior Banquet . . . that last walk to the strains of Pomp and Circumstance . . . it's fun to be a TIGER.

Administration

"Offering the best to meet the educational needs of the entire community is the aim of the administration", according to Carl Roblyer superintendent.

Mr. Roblyer and Principal Paul Gaines work together to make the curriculum satisfy the varied needs of the student body.

These administrators have secured federal funds for innovative programs in Language Arts and with the community cooperation they have enable our students to enroll in the Gordon Cooper Vo-Tech School.

Assisting the administration in securing for each student his maximum opportunity are Claude Kedy, Counselor; and James Williams, activity director.

6. **MRS. EDWARDINE MINER** pauses a minute from her busy schedule to have her picture taken.

Math, Science and Social Studies

Math, science, and social studies prepare the student to understand and to live with the many changes occuring so rapidly in the twentieth century – offerings in these areas are geared to the needs and abilities of the students. They include general math, Algebra I and II, plane and solid geometry, trigonometry, general science, biology, physics, chemistry, Oklahoma history, American history, World history, problems of democracy, sociology and psychology.

Language Arts

Creative describes the English department. Last year the English faculty with the aid of Bennie Raine, English coordinator of the State Department of Education, revised the Language Arts curriculum to broaden its scope and to offer choices to students. This program is serving as a model for other small schools. Students may choose literature ranging from the early Greek civilization to science fiction.

Through a Title VII program students may now improve reading skills. Any person reading two grade levels below his grade is eligible to pull himself up in a well equipped reading laboratory.

Speech—Spanish

Oratory, debate, drama, stage craft, stage make-up, and costume design are a few of the areas of activity for speech students. Class work, preparation for contests, and producing plays keep speech students "on the go" all year. A student may earn four credits in speech work. The classroom aids toward improved speech and clearer thinking for all students as well as artistic growth for those talented in drama.

Spanish is a popular study year after year. Many students study this language for four years and become proficient enough to read **Don Quixote.** A high-light for many Spanish students is a trip to Mexico City during the Spring break where they are able to test their skills on the natives.

Business — Music

Many students use skills learned in business classes to obtain part-time jobs while in school and full-time jobs after graduation. Other students use these skills in their personal lives. Typing I and II, Bookkeeping, and first year shorthand open doors to jobs and personal fulfillment.

"Music hath charms to sooth the savage beast," to put feet to tapping, to raise spirits, and to cause voices to sing along.

Band members may appear sleepy at a 7:00 drill, but they are stepping lively at 9:00 as they serenade the school with **On Wewoka.** Two periods of vocal music are offered students. From these two classes choirs, ensembles and other singing groups form to sing for their own enjoyment and for the pleasure of many others.

Skills – Crafts

No longer is a high school curriculum entirely "readin, ritin, and rithmetic." Most schools train the body, the hands, and the reflexes in skills that are needed today.

Drivers education is taught the year round and usually has a waiting list of students eager for the class. Throughout the year shop classes display many beautiful objects that the students have created. Only freshmen have the privilege of physical education classes, but intra-mural basketball and volleyball is available to all students.

Vo-Tech

Thirty-seven junior and senior students are taking advantage of the first opportunity to attend the Gordon Cooper Vo-Tech School located near Shawnee. Courses chosen by Tigers include Aircraft and Auto Mechanics, Carpentry, Electricity, Electronics, Fashion Merchandising, General Office Education, Health Occupations, Machine Shop, Masonry, Welding and Secretarial Education.

All students who attend Gordon Cooper are members of Vica—an organization for vocational and industrial students. Kirk Potter, representing the Gordon Cooper district, is reporter for Vica Club. Terry and Sherry Dukes are Vice President and Reporter Historian, respectively, for students of Fashion Merchandising and Terry Renfro is president of the welders.

The majority of these students attend morning classes at W.H.S. They board the bus at 11:40 a.m. and return home about 4:45 p.m.

Although these students have a long school day, they are enthusiastic about the program.

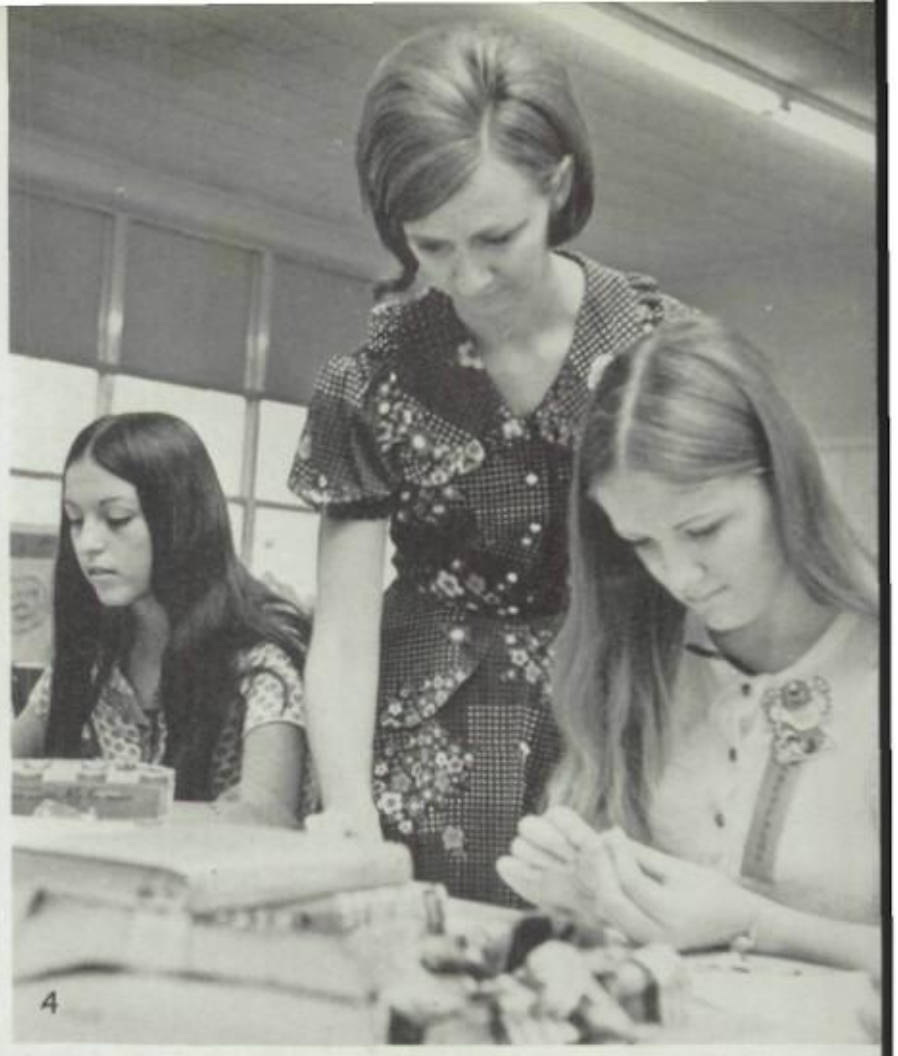
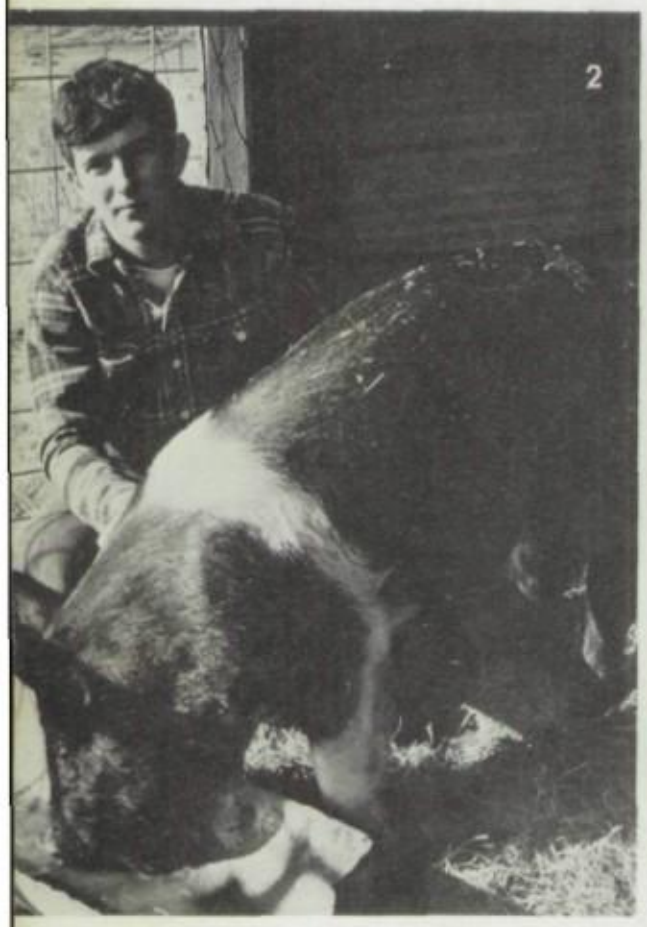
Vocational Agriculture– Home Economics

Agriculture and homemaking are the backbone of Oklahoma. With courses in agriculture stressing the care of livestock and the production of crops, and with courses in home ec. stressing budgets, child care, and nutrition, the students from these classes are preparing to fulfill their Oklahoma heritage.





1. **CLIFFORD CHRIST,** Vo. Ag. teacher, lectures to his Ag. I students.

Future Teachers

FTA started off an active year with a membership drive, yielding not only many girls, but four boys as well, the first males interested for several years.

To raise money for the scholarship given to a senior planing to go into teaching, the organization raffled a cake at the first football game.

Other interesting and educational activities were serving as hostesses at National Education Week open house, helping with special programs at the grade school, and regular meetings with special guest speakers, Mrs. Valerie Carolina, State Teacher of the Year, and Karen Keen, Rotary Exchange Student from New Zealand. High-light of the year was the trip to the School for the Deaf at Sulphur.

PREPARING a bulletin board welcoming parents to open house are Jana Hargrave, Terri Herrera, and Brenda Shipley.

PRESENTING a silver tray, a gift from the Future Teachers, to Mrs. Valerie Carolina, State Teacher of the Year, are President, Cathy Lemons; Vice President, Anita Kendrick; Secretary, Terri Fleming; and Treasurer, Mona Wallace.

SPONSORS, Mrs. Frances McMurry and Mrs. Mary Lou Kedy, enjoyed the good food at the picnic which ended the membership drive in September.

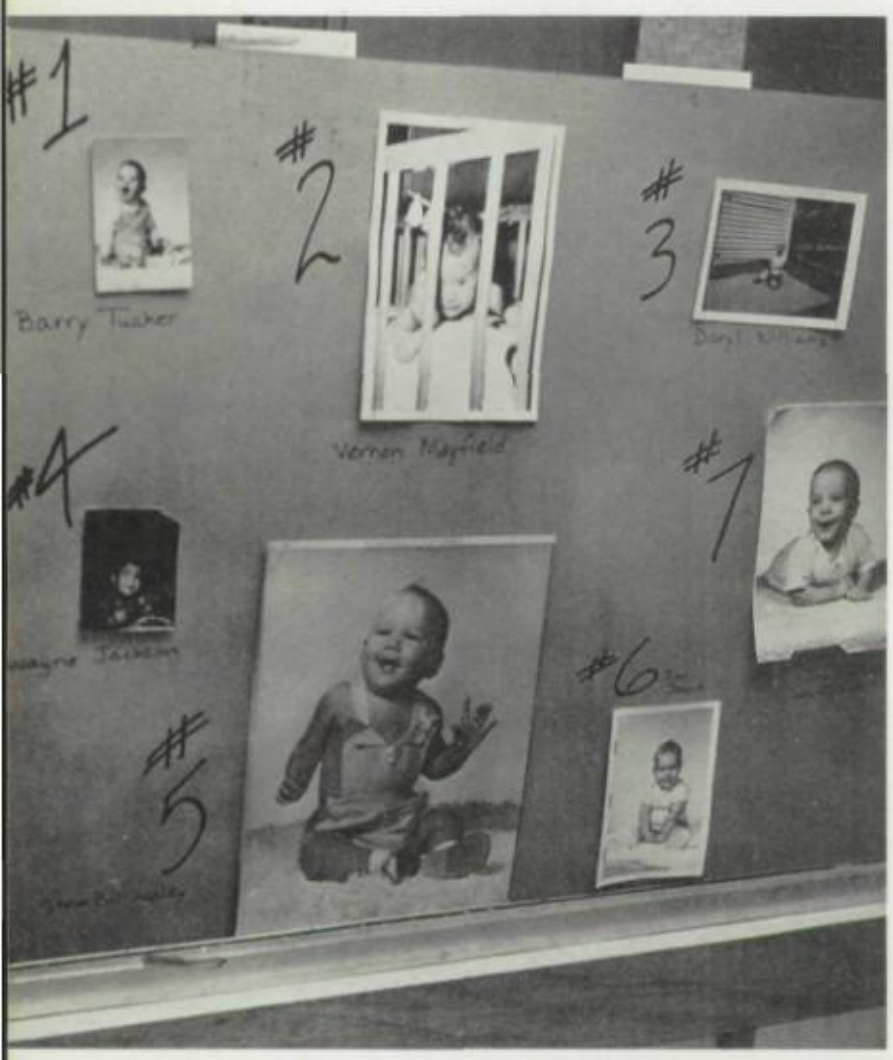
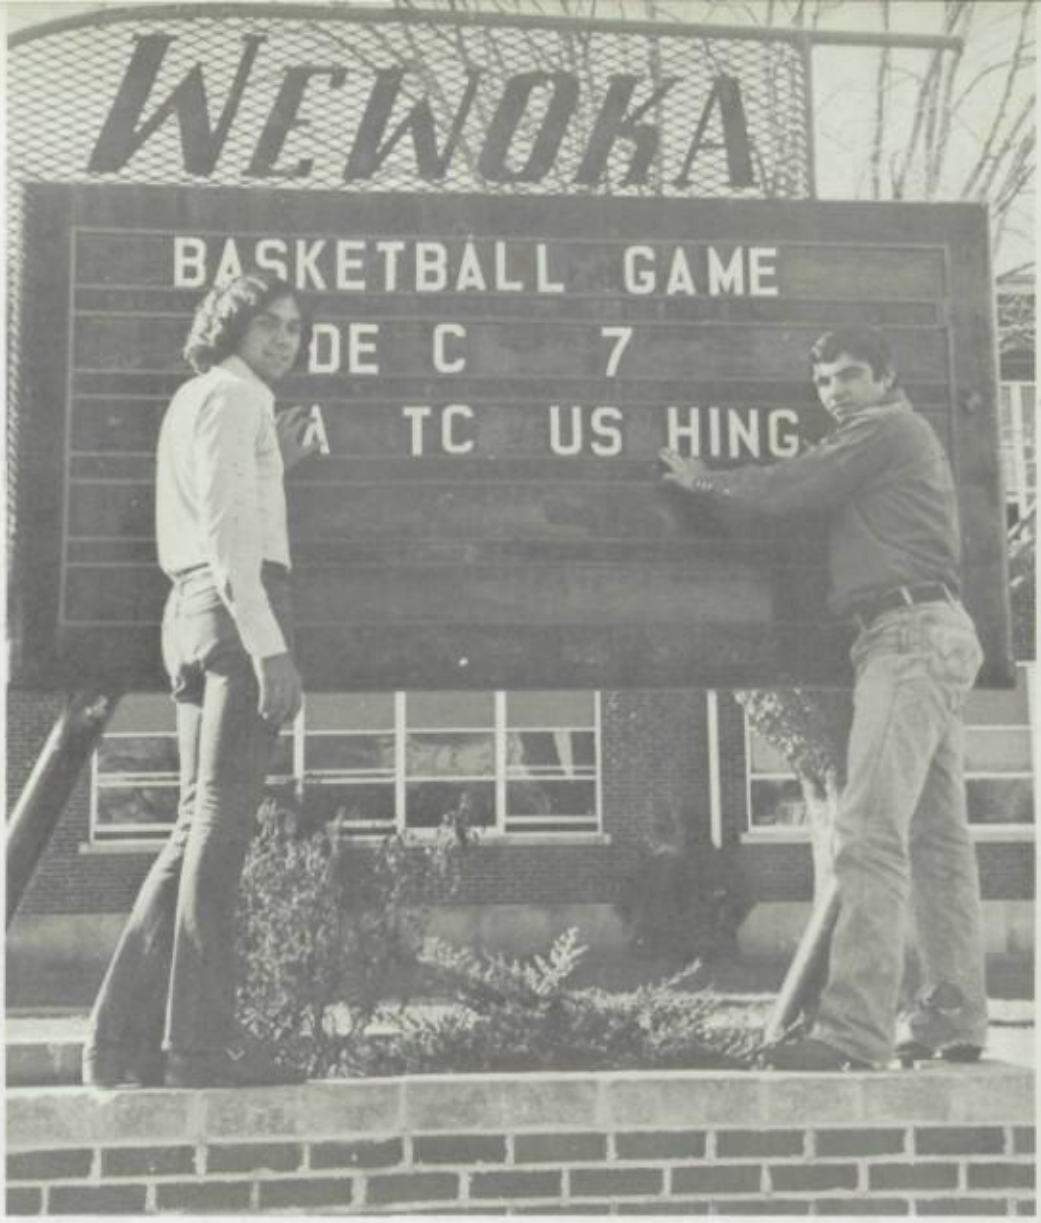
LIBRARY CLUB OFFICERS are LaVerne Kitsmiller, president; Sally Criswell, secretary; and Shirley Ryan, vice-president.

Student Council

Many chores are kept up around the school without much fan-fare. The marquee is kept up to date informing the community of coming events, the class rooms are decorated for Christmas, and hall bulletin boards display other holiday greetings. Student Council members assume responsibility for these tasks enjoyed by everyone.



A BABY PICTURE CONTEST was one of the activities sponsored by Student Council during Homecoming. Terri Fleming won the prize for matching these babies with 1973-74 Tiger football players.



KEEPING the marquee up to date is one of the duties of Student Council. Senior representatives Vernon Mayfield and Barry Tucker often assume this responsibility.

DECORATING the Student Council Christmas Tree are Daryl Williams, vice-president; Julie Smart, secretary; Jana Rutledge, treasurer; and David Moore, president.

Future Farmers

County and State Fairs, Livestock Shows, Pig Sales, and work in the Greenhouse kept FFA members bustling this year. Some outstanding accomplishments include Steve Billingsley's Reserve Grand Champion Crossbreed Barrow and Diane Richardson's first place Chester at the Wilburton show. At the Spring City show David Moore had the Grand Champion Duroc. Stars of the County Show were Steve Billingsley with his Grand Champion pig and Robert Pattison with the Reserve Grand Champion Hampshire Barrow.

Future Homemakers

"Impact" is the theme of the year for FHA members, and the Tiger FHA members are giving that word the punch it deserves. To make their impact felt the national organization suggested two areas of service: senior citizens and the handicapped or mentally retarded.

The group entertained the local nursing home with Christmas carols and brightened up their trays with favors. They made valentines for children in the cerebral palsy institute and participated in the muscular dystrophy and polio drives.

A pot luck supper in December, and mother-daughter tea in January gave members an opportunity to have fun and to practice the social graces.

To finance these varied activities members sold Tiger key chains, and promoted advertising on K.W.S.H. The girls themselves wrote and broadcast the ads.

MRS. BEVERLY McCOMBS, FHA sponsor, and Vicki Davis, president, discuss the success of installation.

FOLLOWING the Pot Luck Supper, the girls went caroling to the three Wewoka nursing homes.

SERVING refreshments after installation are Jackie Murray and Alda Kay Miner.

FILLING their plates at the Pot Luck Supper are Sherry Smith, Melissa Thomas, and Diane Morton.

Thespians

"Act well your part; There all the honor lies." The Thespian motto was observed by speechsters as they prepared for comedy or tragedy.

Thespian members participated in various activities during the year. Speechsters traveled to Ada, Edmond, Okmulgee, Wilburton, and Midwest City for contests. Students interested in drama ushered at the Oklahoma City Theatre Center for **Romeo and Juliet** and **The Lion in Winter.**

Students in speech classes learned to exhibit their skills of constructing and delivering speeches. Debators spent much class time in "practice round debates" to prepare for contests.

All speech and debate students raised money this year by selling fire extinguishers during a three day campaign.

Other events included Thespian initiation and a Christmas program.

USHERING at the Oklahoma City Theatre Center are Terry Dukes, Cathy Lemons, Sherry Smith, James Wells, Mona Wallace, and Ronnie Holly. After the performances of **The Lion in Winter,** the theatre director conducted the group on a tour of the theatere center.

DEBATORS spent many long hours researching this year's topic on unemployment. Seated are debators Cathy Lemons, Ronnie Holly, and Sherry Smith. Standing are David Moore, Teri Mathis, and Anita Kendrick.

REHEARSAL TIME PAID OFF for Julie Smart as she took first place at Central State University with "Lovely Story."

AT TOURNAMENTS throughout the year these students qualified for regionals by placing first, second, or third in an event. Teresa Cox, humorous duet; Teri Mathis, debate, extemp; Jana Rutledge, humorous duet; Karen Spence, standard oratory; Sherry Smith, debate; Julie Smart, poetry, humorous interp, dram. interp.; Ronnie Holly, debate; Anita Kendrick, debate, extemp, original oratory, dram. interp; and David Moore, debate.

"EMILY, NOW WHAT ARE YOU DOING?" "I'm blowing up my water wings!" Teresa Cox and Jana Rutledge placed third as Emily and Cornelia in "Our Hearts Were Young and Gay" at the East Central Tournament.

Vocal Music

Music fills the air in the North second floor hall second and third hour as the Vocal Music students prepare to entertain us. Christmas programs at the high school and grade school, a concert for the rest homes, and program numbers for the Chamber of Commerce kept members singing the first semester.

A spring concert, and district and state contests were the incentive for much vocalizing the second semester.

Tigers Post Winning Season

Wewoka's Tigers enjoyed an outstanding year in 1973. Coach Glenn Secrest guided his team to an impressive 9-1 record, rolling up more victories than any other Tiger team since 1968.

This year's team had the mark of all Coach Secrest's past teams: Defense. Leading the Orange brick wall were hard hitting juniors and seniors: Barry Tucker, Ray Hunt, Vernon Mayfield, Victor Abraham, and Danny Jackson.

Wewoka did not rely entirely on its defense, it also had an explosive offense. The Tiger offense ground out a 27 point a game average. Wewoka's experienced line controlled the line of scrimmage and allowed speedy Tiger halfbacks, led by Al Roberts and Johnny Whitfield, to rip off long gains. Wewoka went to the air sparingly, but when they did, effective results were produced from the receiving corps, led by flashy ends Tony Smith and Harry Gray.

This year's near-perfect season was mamed by the mid-season loss to Bristow, which kept the Tigers out of the state playoffs.

Wewoka rebounded from the loss and ran off five straight victories including a 26-6 thrashing of Seminole.

The brilliance of the Tiger play was reflected in the announcement of the All-District team. Al Roberts, Barry Tucker, Tony Smith, Kenny Pattison, and Robert Chadick were named to this select group.

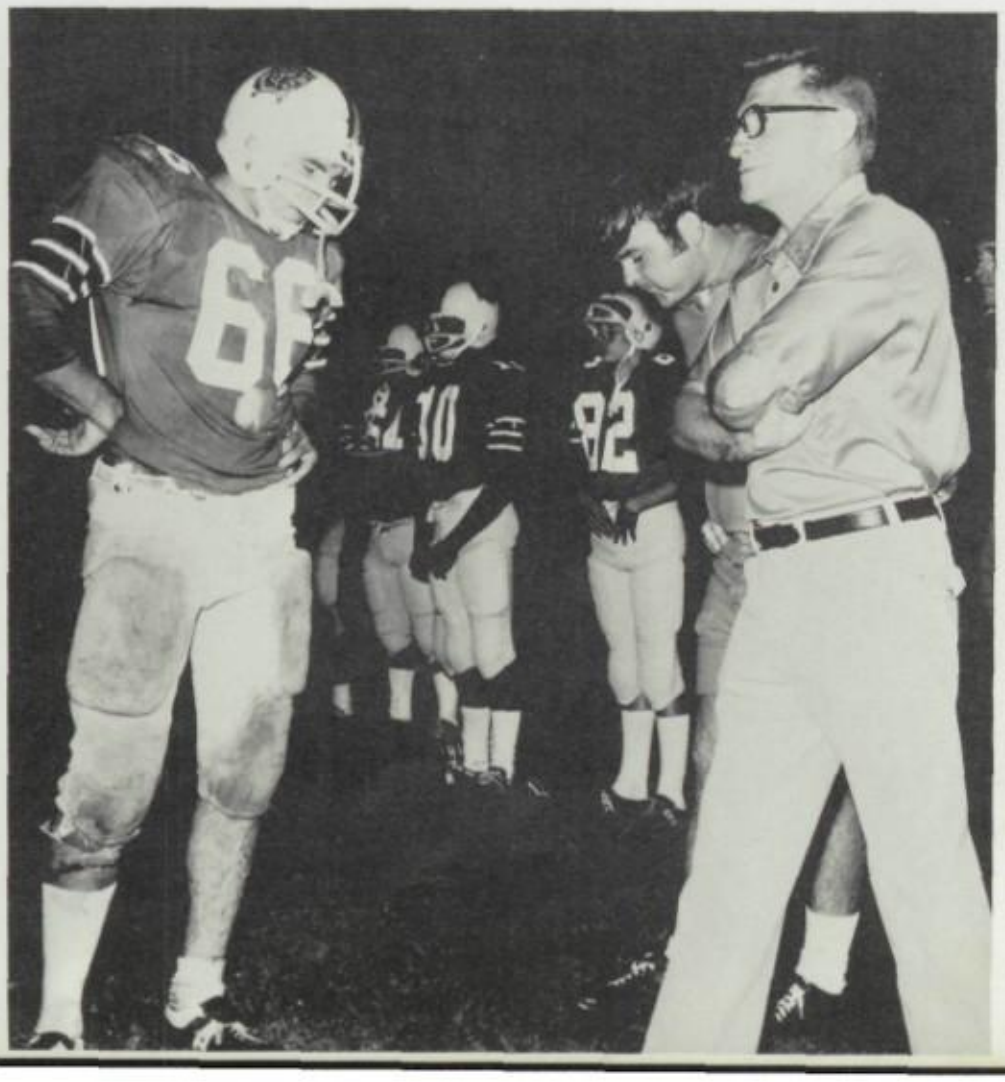
RAY DEAN HUNT shows the form that coaches drill their players on all year long.

SQUAD MEMBERS are **ROW ONE:** Coach Glenn Secrest, George Roberts, Larry Asberry, David Williams, Gary Davis, Stanley Barrowman, Terry Streater, Derek King, Robert Pattison, LaVerne Kitsmiller. **ROW TWO:** Steve Billingsley, Mickey LaValley, Kevin Gladney, David Trigleth, Ray Bert, Ray Dean Hunt, Randy Chaney, Dewayne Whitfield, Elroy James, Jacky Robison, and Al Roberts. **ROW THREE:** Coach Eddie Miller, Kenny Pattison, Joe Leoffelholz, Robert Chadick, Daryl Williams, Tony Smith, Jim Smart, Danny Jackson, Wayne Jackson, Johnny Whitfield, Harry Gray, Vernon Mayfield, David Kedy, Barry Tucker, and Coach Joe Johnson.

JOHNNY WHITFIELD breaks away for another long gainer.

AL ROBERTS shows his ability of running behind the blocking of Barry Tucker and Vernon Mayfield.

THERE'S NO ESCAPE from the grasp of the two Tiger alternate all-staters Al Roberts and Barry Tucker.



DEFENSE is the strategy discussed by Coach Secrest, Coach Miller and linebacker Barry Tucker.

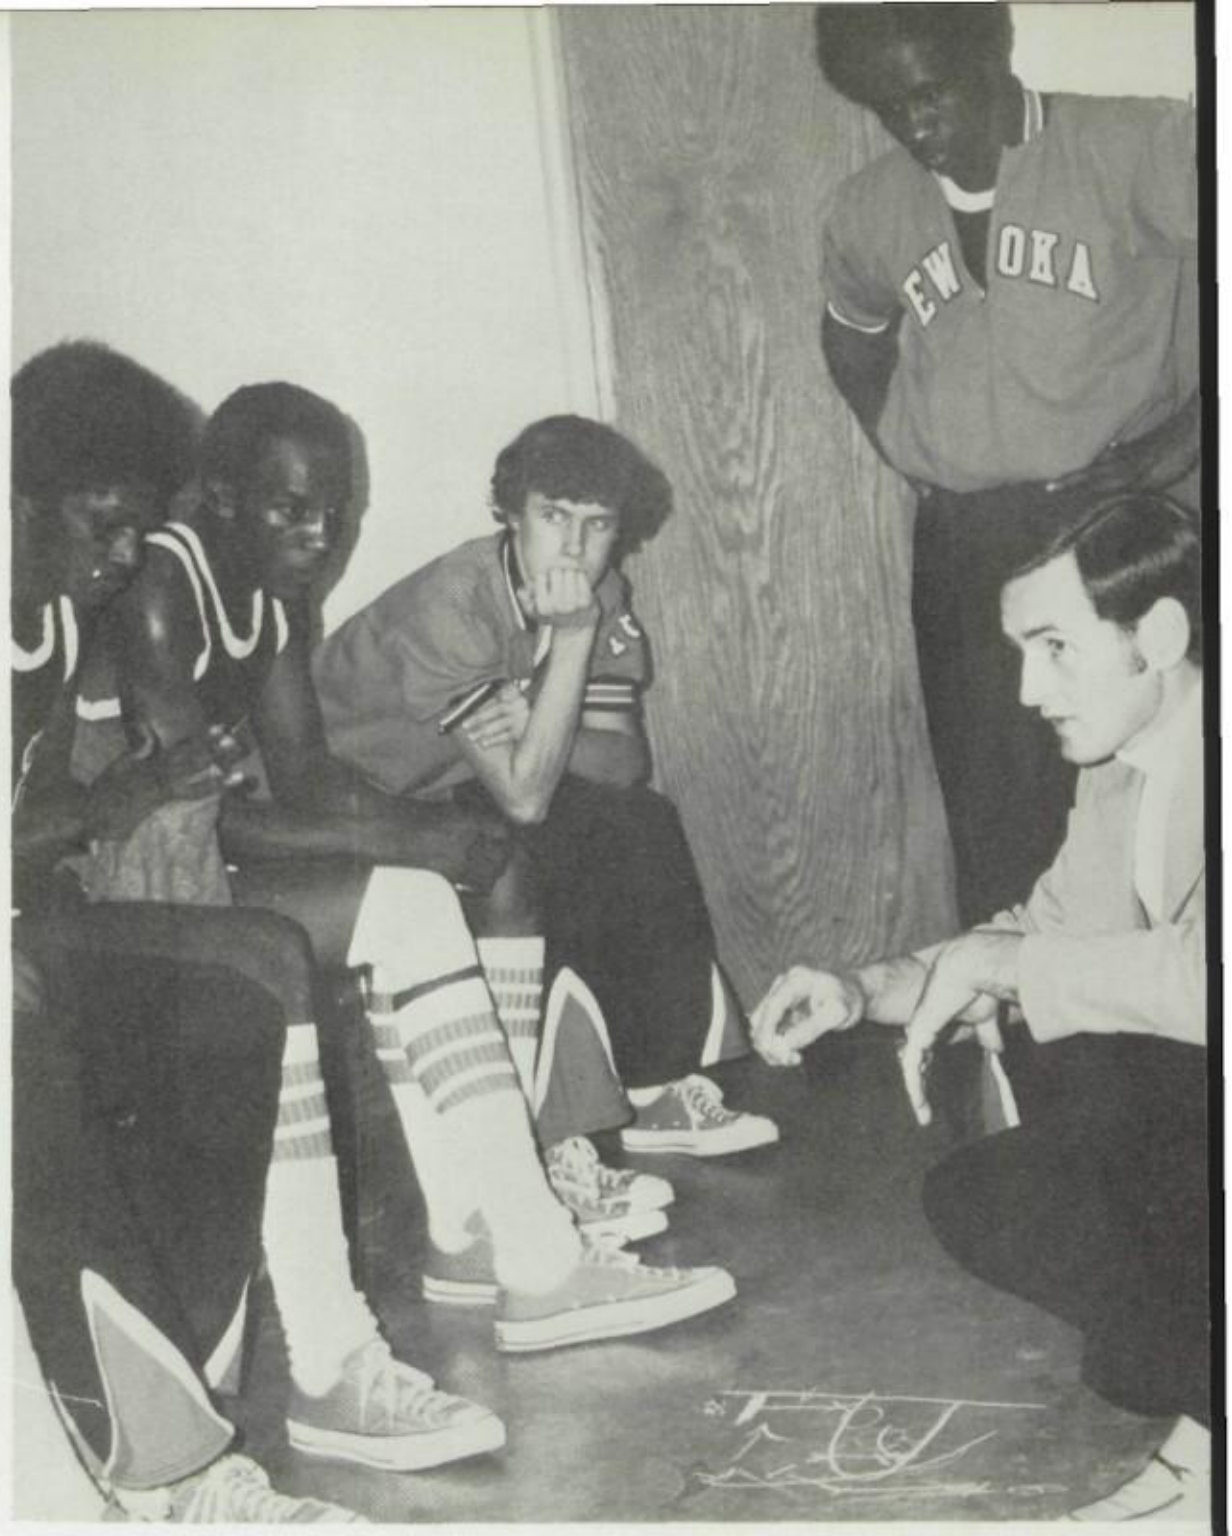
Basketball

Wewoka's Tigers surprised everyone in 1974. After last year's highly successful season, Wewoka was supposed to be rebuilding, but nobody told the Tigers. The Orange and Black captured second in the conference and won their district tournament with surprising ease. The unexpected success of Coach Jim Lawson's team can be attributed to the leadership of experienced seniors Freddie Griffis and Al Roberts and the play of newcomers Clyde James and David Kedy.

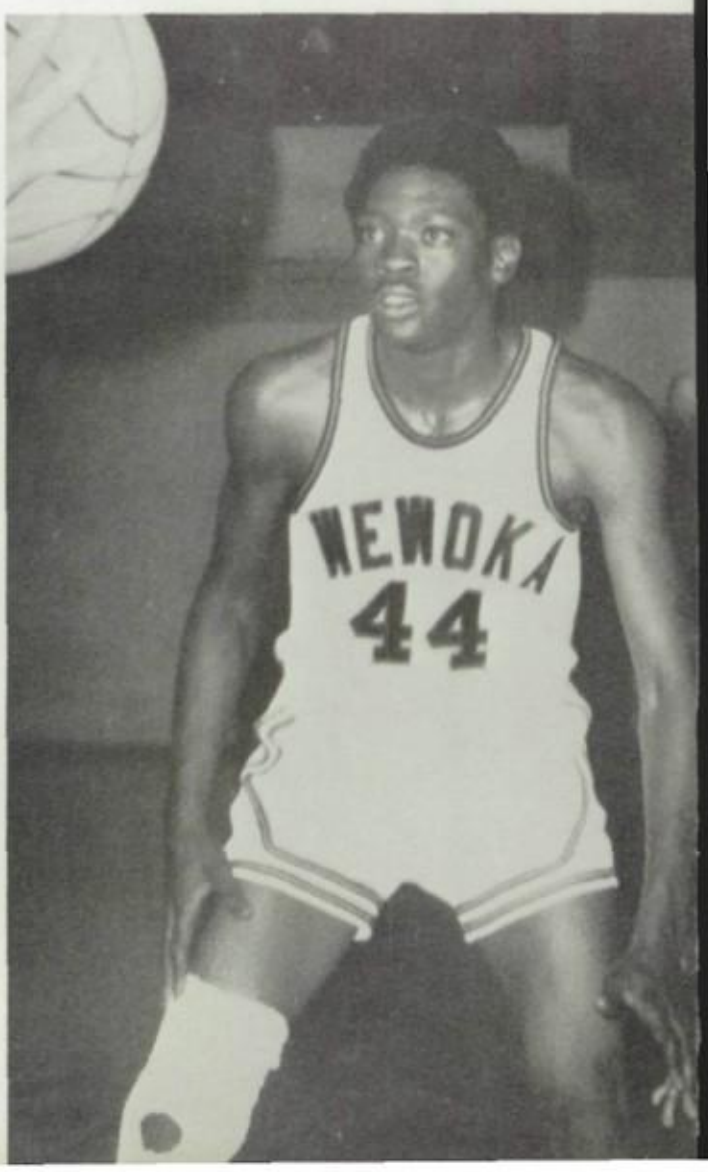
What the Tigers lacked in height they made up for in quickness, sharp shooting and aggressiveness. This finesse was also shown by the younger players and gives Wewoka bright hopes for the future. The Tigers' only loss will be three seniors from this year's team and the underclassmen have received a good amount of badly needed experience. At press time the Tiger roundballers were battling in the State Playoffs.



DURING HALFTIME, Cóach Lawson explains the defensive strategy for the second half.

CONCENTRATION on the ball is exemplified by Freddie Griffis.

AL ROBERTS shows antagonizing defense toward offensive opponents.



WEWOKA'S 1974 TIGERS are Left to Right: **FIRST ROW:** Coach Jim Lawson, Clyde Jame, Al Roberts, Fuzzy James, Freddie Griffis, Ray Hunt and Assistant Coach, Gene Stephens. **TOP ROW:** Manager John Fleming, George Roberts, David Williams, David Kedy, Edward Alford, Steve Billingsley and Johnny Whitfield.

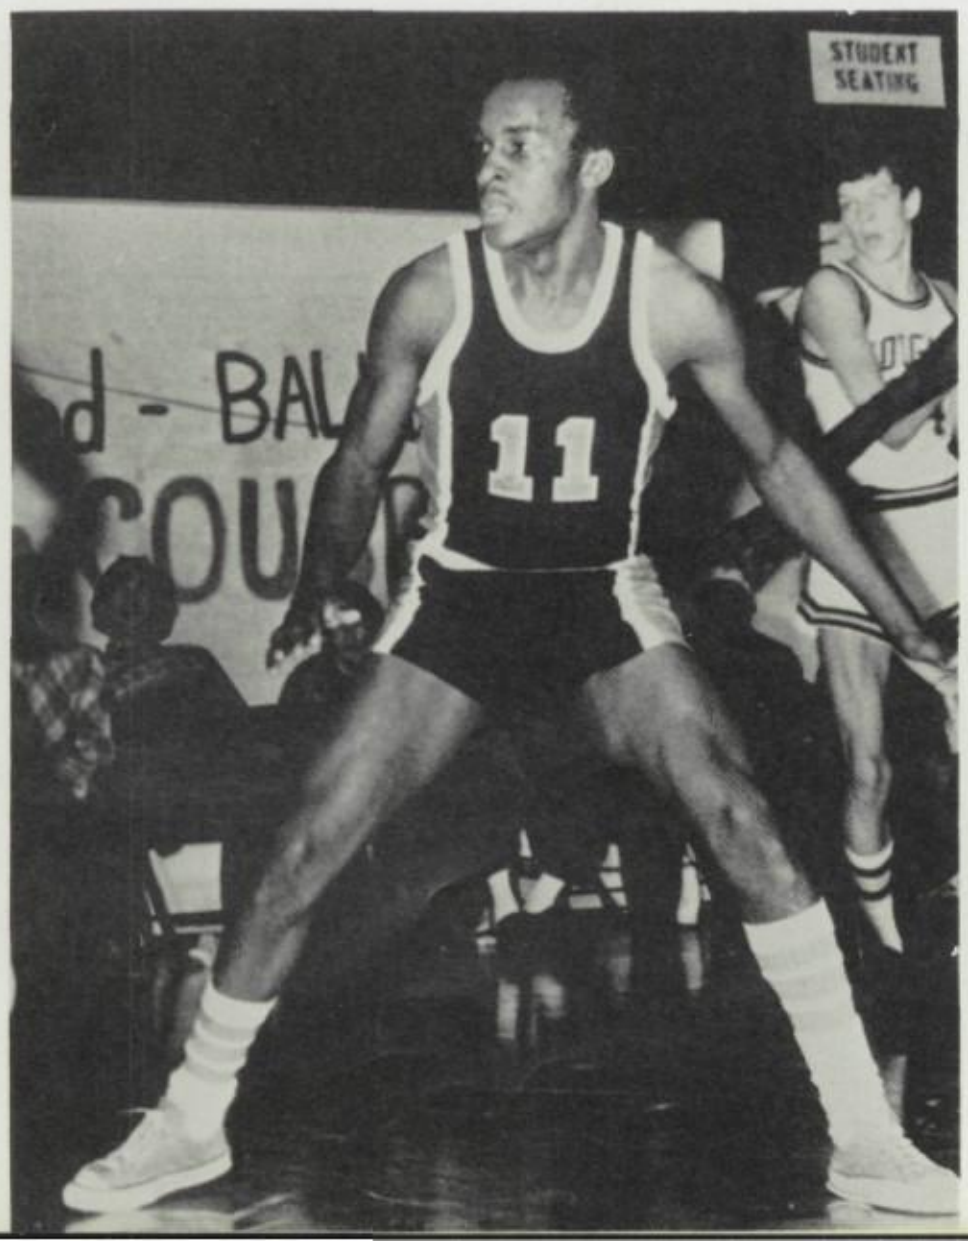
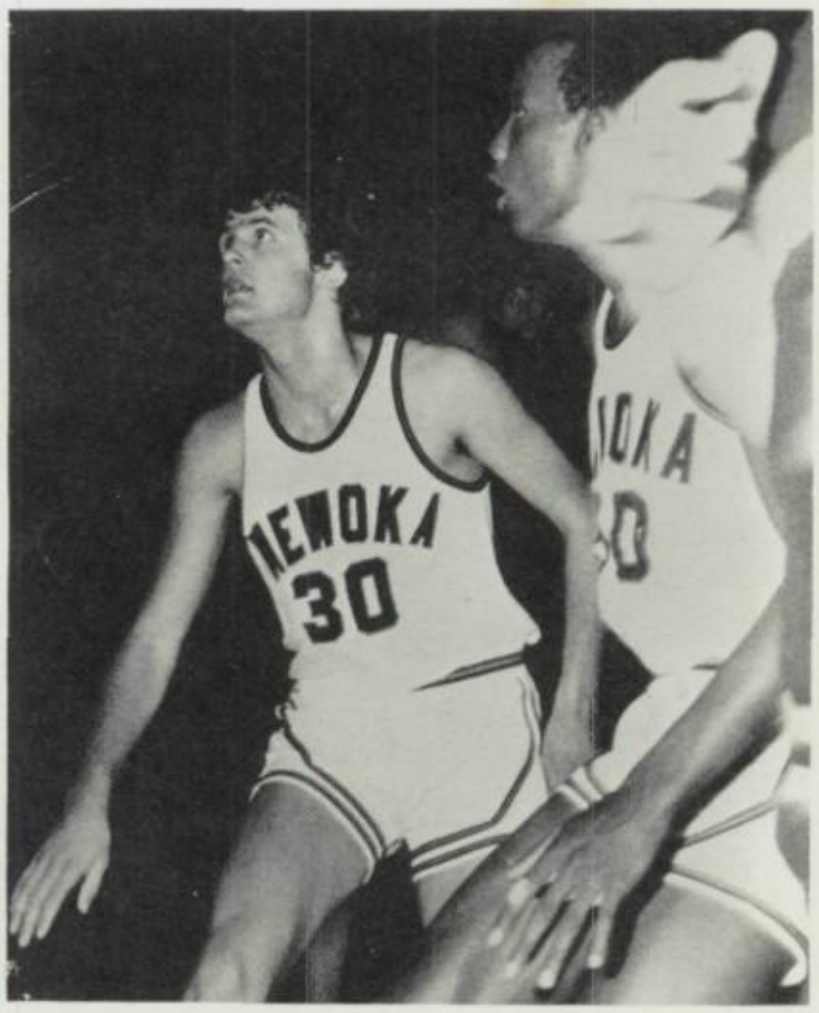
RAY HUNT SHOWS the tenacious defense that exemplified the Tiger team.



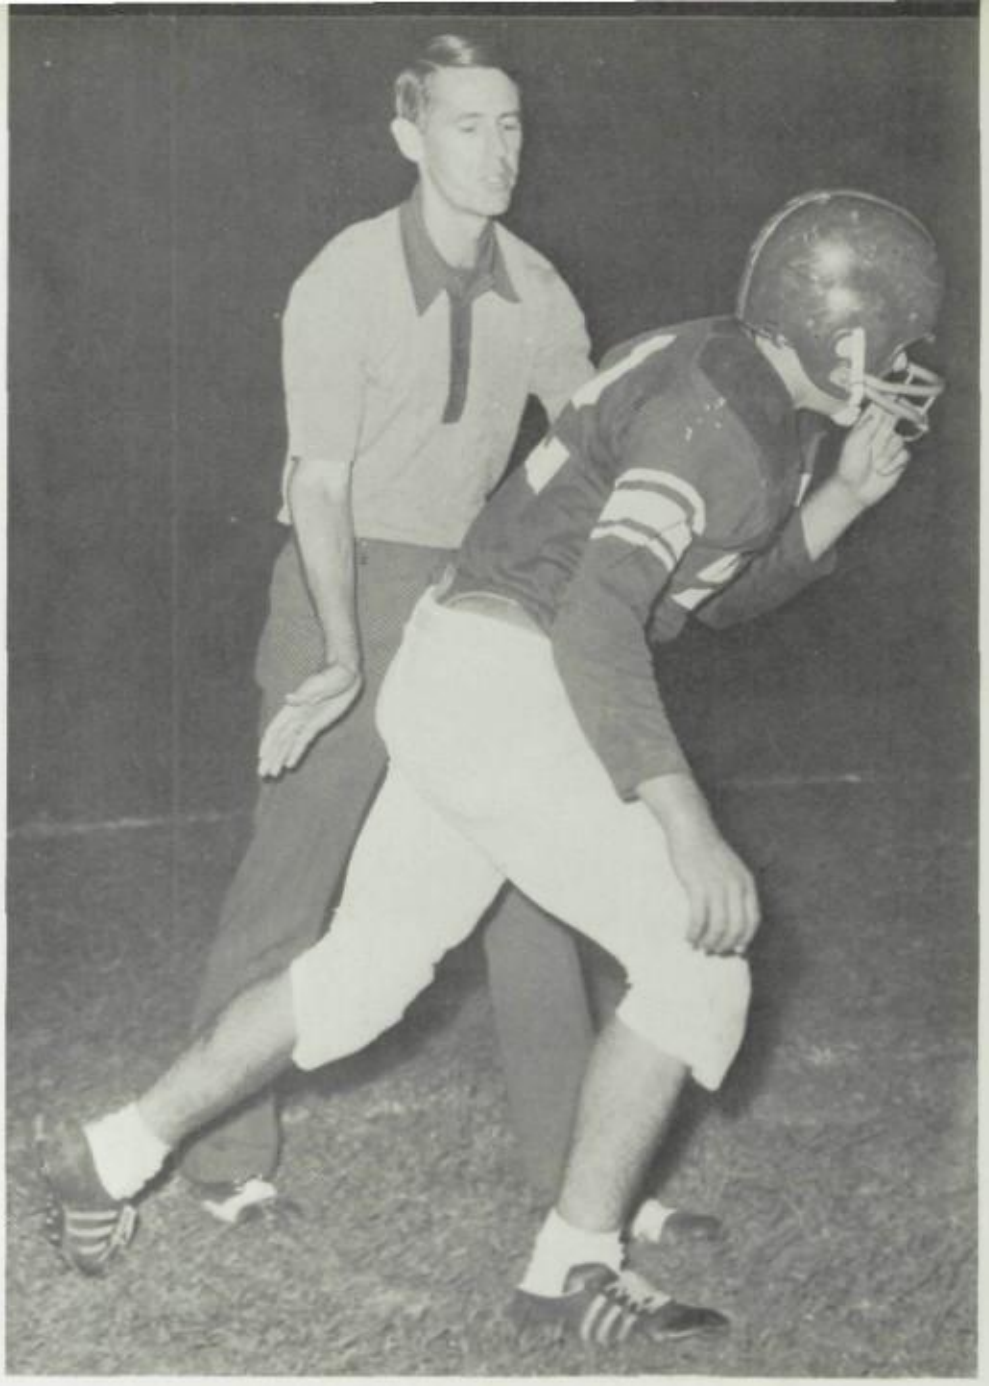
TIGERS DAVID KEDY and Edward Alford battle for rebounding position during the Cushing contest.



Freshmen Football

The Freshmen footballers experienced a frustrating year — losing the close ones! The record of five losses may appear lack-lustre, but most of the losses came by very small margins. High school coaches look forward to having this group in the Tiger squad next year.

Coach Stephens thinks that tailback Oscar Bruner, halfback Steve Powell, and guard Steve Bruner will find a spot in the Tiger line-up.



COACH GENE STEPHENS sends Steve Powell into the game with a pat of encouragement.

ROW ONE: Errol Bert, Ray Doolittle, Richard Gentry, Jerry Durkee, Steve Bruner, Bobby Wieck, and Steve Street. **ROW TWO:** Stephen Powell, Gary McCoy, Walter Ellison, Mainard Roberts, and Coach Gene Stephens.

Freshmen Basketball

Although the Freshman Basketball Team did not win the Conference Championship, they did dump some highly rated teams and wound up the season by defeating the Champions of the Southern Half of the Conference.

The Cubs broke even for the season — 9-9. However the scores were very close and the individual play was outstanding. Bret Streater with 201 points for the season, and Mainard Roberts with 195 points, along with Errol Bert, Oscar Bruner and Dana Jordon will be strong contenders for starting berths next season. Move over Tigers — the Cubs are growing up!

MANAGERS Dwight Stroup and Wes Self did much to keep the basketball equipment in order.

AFTER STRUGGLING over many tie balls, the Tiger Cubs downed the Ada Bluejays 33 to 31.

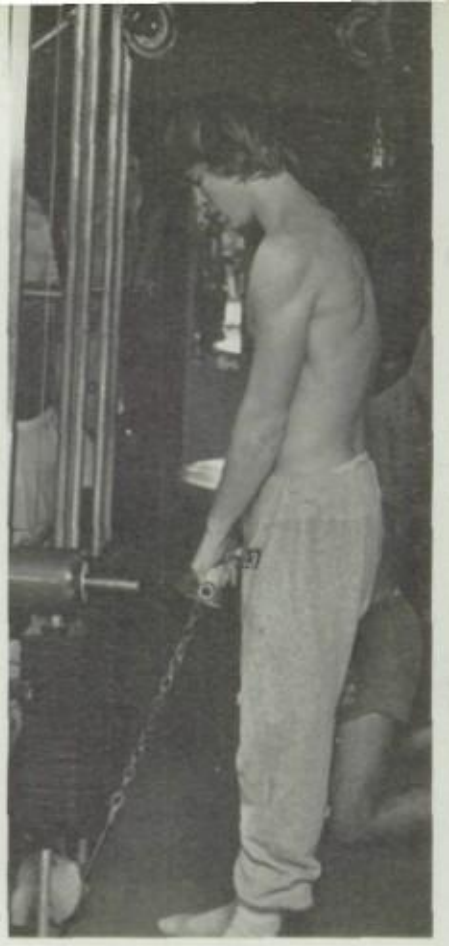
COACH JOE JOHNSON is giving the team some *pointers for another* win.

ROW ONE: Ronald Abraham, Gary Williams, Dana Jordon, Ronald Holata, Johnny Starnes. **ROW TWO:** La Bron Cosby, John Harrison, Walter Ellison, Errol Bert, Melvin Dennis. **STANDING:** Steve Bruner, Richard Gentry, Oscar Bruner, Bret Streater, Mainard Roberts, Coach Joe Johnson.

Golf, Weight-Lifting

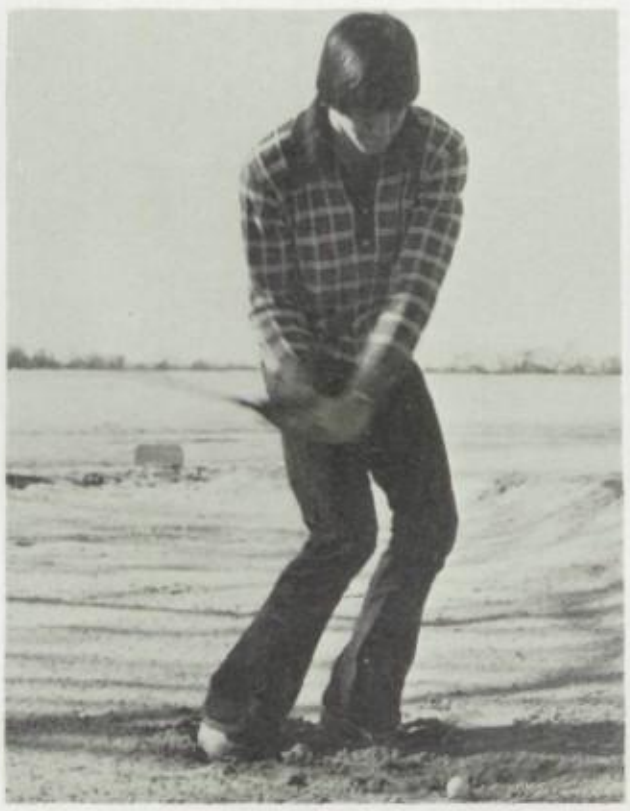
An athlete works all seasons. In the spring he lifts weights or plays golf. The golf team participated in district play as well as match tournaments. The weight lifters tested their muscles against students from other schools although their primary aim was reaching individual goals.

THE WEIGHT-LIFTING MACHINE is in constant use. Doing sit-ups is Bobby Wieck and David Trigleth is doing push-ups.



LaVERN KITSMILLER is strengthening his shoulder muscles.

DAVID KEDY prepares to tee off as he is first to start the tournament.



GETTING his ball out of a sand trap is David Trigleth.

IN AN UNUSUAL POSITION is starter Mark Cox.

GOLF MEMBERS are Jim Potter, Cliff Cook, David Kedy, David Trigleth, Mitch Potter, and Mark Cox.

TRYING HARD to get the ball on the green is David Trigleth and Wayne Jackson is getting ready to putt.

Seniors

Enjoying the present and looking forward to the future present the seniors a paradox that becomes a way of life. The last home game, the last band concert, the attainment of "top man" are all pleasures of the present. However, ACT, college counsellors, job prospects, and a world in crisis are reminders that a diploma spells commencement.

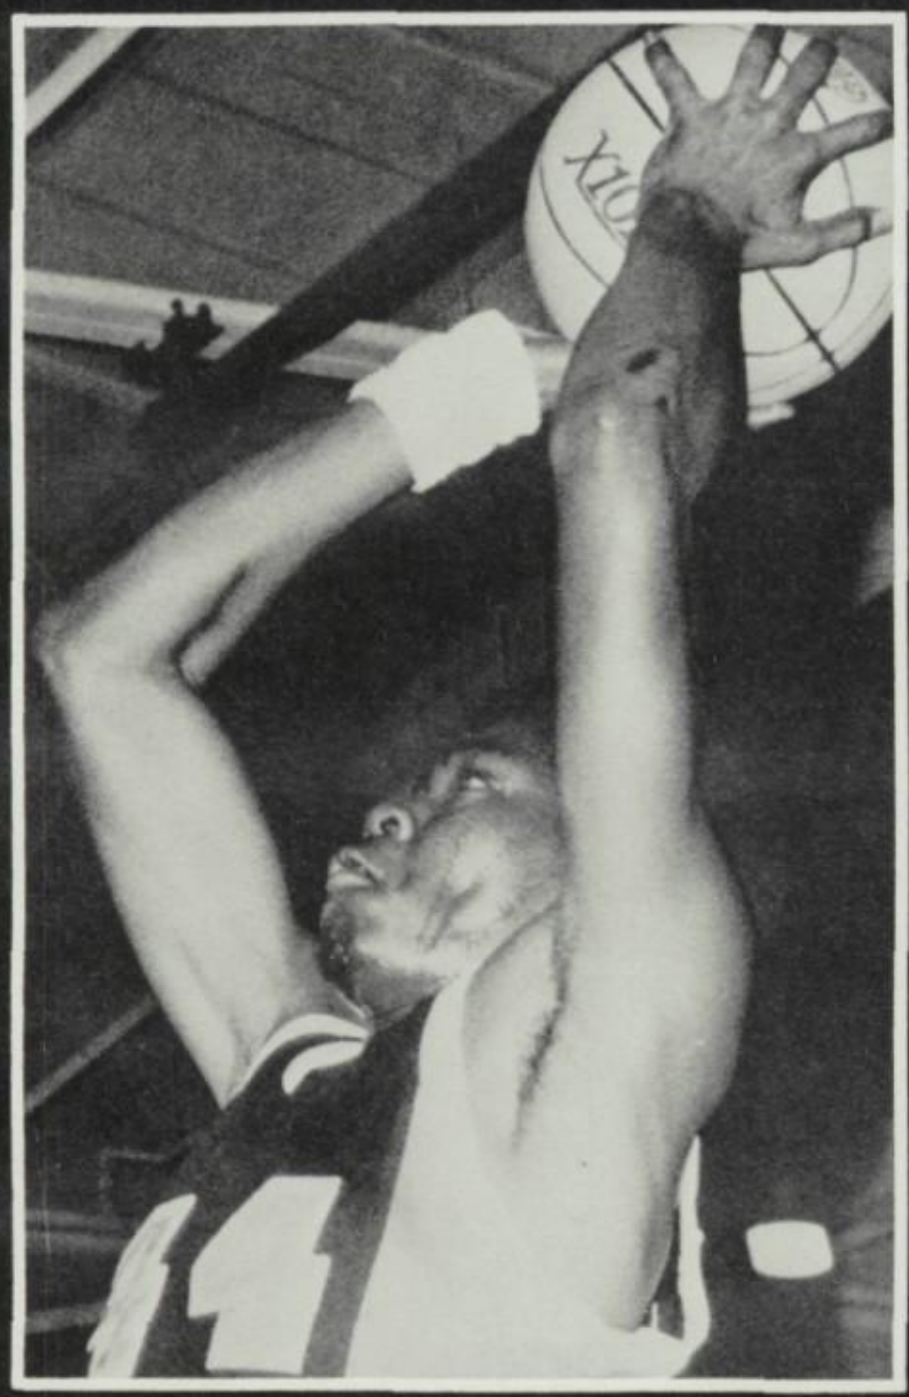
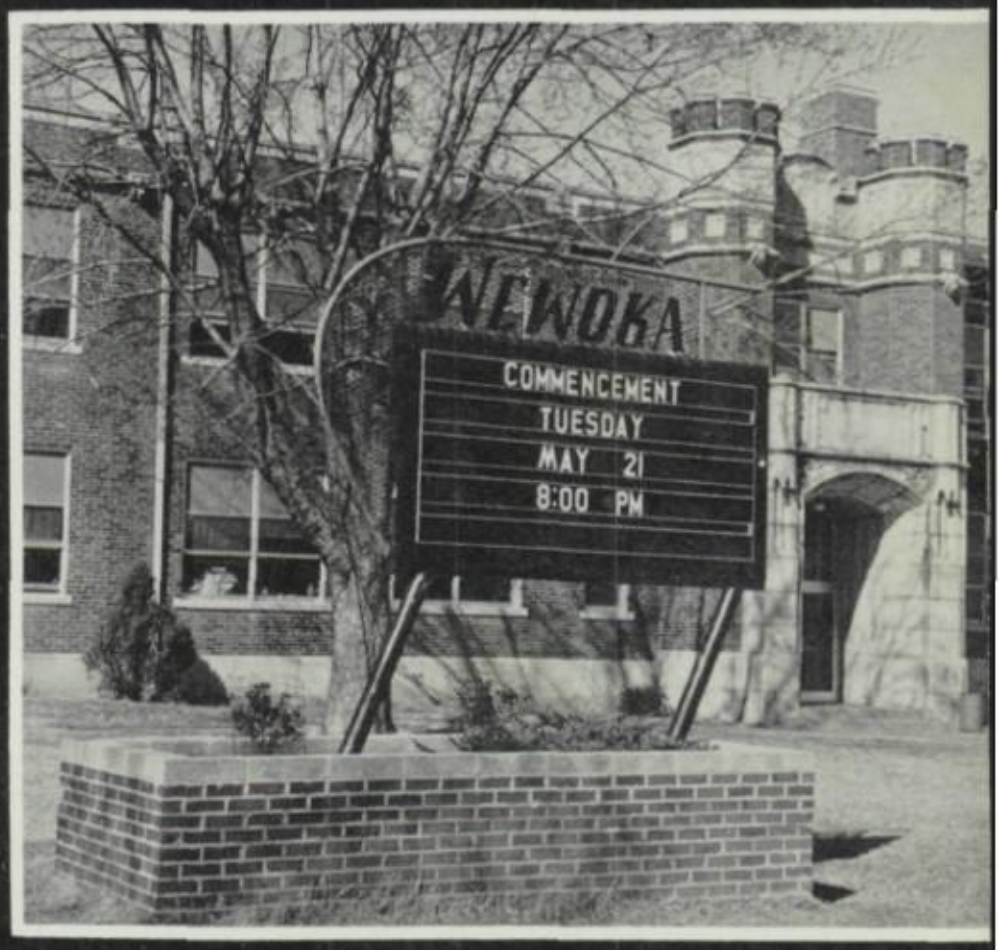
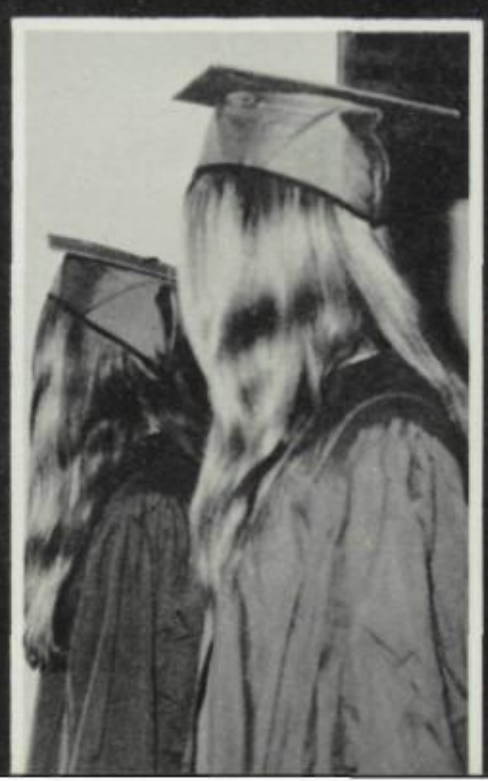
TO BE A TIGER





The year is over. The last game, putting out the senior candle, and that final walk down the auditorium aisle become the precious memories we will forever cherish. As we reflect on the past and ponder the future we will never forget that it's *great to be a Tiger.*



Hail all hail Wewoka High School
Loyal, brave, and strong.
To thee with voices proudly ringing
Comes our Vict'ry song.

Truth and honor, love and glory
These we pledge anew.
Hail all our alma mater
Hail all hail to you.

Wayne, Clt's been a long time but it was worth it. I really don't know what to say that I haven't said before. Except Thanks for everything. You have meant a lot to me and you always will but you know that. I hope you remember me next year when you are in New Mexico. I can't realize me without you next year but I guess I will have to get use to it. We've had loads of fun and I hope they will go on. Clt kills me to think of me without you but just remember I love you. See you at Christmas! I love you

Terri

Wayne, Well we finally made it, we're going to Graduate. You are really one of my favorite persons. I hope you don't or won't hold any hatred or anything else against me just because I hung-up on you a few times and wouldn't go out with you. Even though we really never got along, we still had our good times and I hope you are very successful in school and you'll keep in touch. I don't think I'll forget that party when I first went together and I turned around and broke up with you. That was cool huh'. Oh well we've got the whole future ahead of us and there's no telling who we'll meet or what well happen. Please keep on being my friend and remember me cause I love you cause you loveable once you get to know ya and understand a little bit.

Love,
Mary
